

Brook Psychology

INFORMATION FOR REFERRERS | Ellenbrook & Karrinyup

Clinical services

Evidence-based psychological assessment and treatment for anxiety, depression, trauma and PTSD, adjustment difficulties, stress, and other psychological concerns. Individual psychologist availability, age range and suitability should be confirmed with reception.

Locations

Ellenbrook — primary practice: 60B Mornington Parkway, Ellenbrook WA 6069.

Karrinyup — secondary location, workers' compensation focus: Karrinyup Health Professionals, Suite 10, Level 1, 86 Francis Avenue, Karrinyup WA 6018.

Referral pathways

Medicare: Eligible GP referrals and Mental Health Treatment Plans. **Private:** Referral not required. **Workers' compensation:** Confirm claim and funding approval. **Employee programs:** St John Ambulance and WA Police Force health and welfare arrangements, subject to eligibility. Other funding pathways and telehealth: enquire with reception.

Helpful referral information

Reason for referral and presenting concerns; referral purpose; relevant funding/insurer details and authorisation; client contact details; referrer and correspondence details. Please send clinical documents through an appropriately secure channel arranged with reception — not the website enquiry form.

Treatment and communication

Individualised assessment, formulation and goal-directed treatment. Clinically relevant updates and collaboration may be provided where appropriate, subject to consent, confidentiality and applicable reporting obligations.
